RE: PROPOSED RULE MAKING PR DOCKET NO. 92-235

Dear Mrs. Searcy:

This letter is in response to the above described proposal. The Dalhart Police Department, as the central 9-1-1 cite for our local area, must respond to and direct communications for a surrounding area of 2.983 miles. This responsibility

Please consider the fact that a much larger portion of the United States is made up of geographics similar to ours, than those of an urban environment, and a fix for their problems does not necessarily mean the majority of the country should suffer in response to those changes.

Your consideration in this matter would be greatly appreciated.

Sincerely,

Stan Simmons
